A student who is still registered for a course after the add/drop period but did not subsequently sit for the examination will be deemed to have read and failed the course. 'F' will appear on his official transcript.

Notes:

1. For Semester 2 course registration, all students (except ENG 1 students who are not streamed in S1 AY2011-12) will register for your courses before the Semester 1 examination results are released. You are to register for your courses with the assumption that you will pass all your courses taken in Semester 1. However, please note that the registered course for which you fail the prerequisite (if any) will be automatically de-registered for you after the Semester 1 examination results are confirmed.
2. For ENG 1 students who are not streamed in S1 AY2011-12, streaming to the respective specialization can only be done after exams. Therefore, course registration has to be scheduled after the Semester 1 examination and streaming results are released.
3. You will be scheduled to **access** the registration system and register for your courses based on your **Registration Study Year**. The Registration Study Year is your **study year in S2 AY 2011-12** and which is determined by the following:

AUs earned to date + AUs registered in S1 AY 2011-12 \geq minimum AUs required to be promoted to the next study year
(AUs for unrestricted electives are to be excluded for students who are not under the GPA System)

For details on the classification of students by study year, please refer to:

[http://www.ntu.edu.sg/Services/Academic/undergraduates/Pages/AcademicUnitSystem\(AUS\).aspx](http://www.ntu.edu.sg/Services/Academic/undergraduates/Pages/AcademicUnitSystem(AUS).aspx)

4. You are to check your **Personalized Date and Time for Registration** on **Thurs 24 Nov 2011**. For students who have been approved to change their programme, an advisory note on course registration will be stated in their approval letter.
 5. The same number of vacancies is allotted to each group for programmes that are split into 2 groups by alpha order of students' names.
 6. Students are to register their core courses and major prescribed electives; and place GERPE/UE on waitlist during the timeslots indicated, unless otherwise stated.
 7. For GERPE/UE, students may place 5 choices each for GERPE and UE on waitlist. They may access STARS from 5.00 p.m. – 10.00 p.m. daily from the day of their registration till 20 December 2011*, if they wish to add or drop their choices of GERPE/UE that they have placed on waitlist.
- *Note: ENG 1 students who are not streamed in S1 AY2011-12 will place their choices for GERPE and UE on 30 December 2011.
8. In order to increase your success rate in the allocation of GERPE/UE, you are advised to:
 - Consider GERPE/UE with few students on waitlist
 - Place at least 3 choices on waitlist for each category (STARS will prompt you if you have placed less than 3 choices.)
 9. All students (except for ADM 1, ACC, BUS and ACBS students) can overload for courses on their scheduled day of registration between 5.00 pm to 10.00 pm.

All students (except for ADM 1, ACC, BUS and ACBS students) can overload for courses on their scheduled day of registration between 5.00 pm to 10.00 pm.
