

4. The Cumulative Grade Point Average (CGPA) represents the grade average of all subjects (including failed subjects) attempted by a student.

The computation of CGPA is as follows:

$$\frac{[\text{Grade Point} \times \text{AU for Subject 1}] + [\text{Grade Point} \times \text{AU for Subject X}] + \dots}{[\text{Total AU attempted in all the semesters so far}]}$$

5. The YGPA and CGPA will be reflected in students' transcripts.
6. An 'F' grade obtained in a subject, and a new grade attained for the subsequent repeat, will be both reflected in the transcript. Both grades will also be counted in the computation of YGPA and CGPA.
7. Students are not allowed to repeat any subjects taken except those with 'F' grade.
8. The requirements for graduation are as follows:
 - a) Successful completion of the prescribed academic unit requirement as set out by the course curriculum.
 - b) A minimum CGPA of 2.00 is required at the end of the final semester of study.
9. The criteria for satisfactory academic standing in any given semester are:
 - a) maintaining a minimum CGPA of 2.00
 - b) completing at least 75% of the normal AU workload
10. Students with poor standing will be subjected to the following performance review:
 - a) Academic Warning – if the CGPA falls below 2.00 for any given semester.
 - b) Academic Probation – if the CGPA falls below 2.00 for the following semester.
 - c) Academic Termination – if the CGPA falls below 2.00 for the 3rd consecutive semester, or at the end of the final semester of study. A letter of termination will be issued.

Appeal against termination on the grounds of extenuating circumstances may be made, subject to the following rules:

- the appeal must be submitted to the relevant School by the end of the first week of a semester;
- normally only one appeal is allowed per candidature.

11. A minimum CGPA of 2.0 must be maintained at the end of each semester to qualify for the overloading of subjects.
12. The Dean's list will be compiled on a yearly basis. The top 5% of the cohort, subject to attaining a minimum YGPA of 4.50, is eligible for the Dean's list.
13. Students enrolled in the Accelerated Bachelor's Programme must maintain a minimum CGPA of 4.00 in order to remain in the programme.
14. Credits for subjects taken from approved student exchange programmes will be excluded from the CGPA computation. But they will be counted toward the academic unit requirement for graduation, and reflected in the transcript.
15. The cut-off for each degree classification is as follows:

CGPA Range	Classes of Honours	
	4-year Courses	3-year Courses
4.50 - 5.00	First Class *	First Class
4.00 – 4.49	2 nd Class Upper	2 nd Class Upper
3.50 – 3.99	2 nd Class Lower	2 nd Class Lower
3.00 – 3.49	Third Class	Pass with Merit
2.00 – 2.99	Pass	Pass

* For the 4-year B.Eng. course, a minimum CGPA of 4.50 plus at least an 'A-' grade for the Final Year Project (FYP), are required for the award of a First Class Honours degree.
