**CORE Courses to be offered to Returning NSMen (RNS) for Special Terms (May to July 2009)**

S/No	School	Course Title	Course Code	Course Type: Core / GER-PE/ UE	AUs	Remarks / Prerequisites
1	College of Engineering (CoE)	FOUNDATION PHYSICS	FE0001	Core	3	<p>Applicable to the following programmes:  <b>1st year students without 'A' level Physics</b>                      1. Aerospace Engineering                      2. Civil Engineering                      3. Engineering                      4. Environmental Engineering                      5. Electrical &amp; Electronic Engineering                      6. Mechanical Engineering</p> <p>1st year students without 'A' level Physics must register FE0001 before they can register FE1001.</p> <p><b>Poly students direct entry to 2nd year</b>                      1. Aerospace Engineering                      2. Civil Engineering                      3. Environmental Engineering                      4. Electrical &amp; Electronic Engineering                      5. Mechanical Engineering (without Mechanical Dipoma)</p> <p>Students are advised to check their curriculum on the website before registering any course.</p>
2		PHYSICS I	FE1001	Core	4	<p>Applicable to the following programmes:  <b>1st year students with 'A' level Physics</b>                      1. Aerospace Engineering                      2. Civil Engineering                      3. Engineering                      4. Environmental Engineering                      5. Electrical &amp; Electronic Engineering                      6. Mechanical Engineering</p> <p>1st year EEE and Engineering student can choose to exempt FE1001 if he/she is qualified for the course exemption                      (Criteria: A minimum of 3 grade 'A's (Maths, Physics and other science subjects) and at least a grade E / C6 in the General Paper in the Singapore-Cambridge GCE 'A' level results.)</p> <p><b>Poly students direct entry to 2nd year</b>                      1. Mechanical Engineering (with Mechanical Dipoma)</p>
All the courses above (for 1st Year Common Engineering Students) will be offered through out Special Term 1 and Special Term 2 (Continuous from 4 May ~ 17 Jul, 12-14 June: Recess)						
3	School of Physical and Mathematical Sciences (SPMS)	PHYSICS LABORATORY IA	PAP118	Core	2	Offered in Special Term 1. A-level/H2 Physics
4		PHYSICS LAB IB	PAP119	Core	2	Offered in Special Term 2. A-level/H2 Physics
5	Wee Kim Wee School of Communication and Information (SCI)	BASIC MEDIA WRITING	COM204	CORE	4	The course can be offered in ST 1 or ST2
