INSTRUCTIONS

1. This paper contains **TWO (2) essay** questions.
 2. Answer only **ONE** question in about **250 to 300 words**.
 3. Write your answer in this booklet. You will hand in this booklet at the end of the examination.
 4. **Do not** exceed the word limit. You will not be given additional booklets.
 5. Marks are awarded for language, content and organisation.
-

Either

1. Forming strong friendships is one of the most important aspects of life as a student. Write about the benefits of having good friends.

Or

2. A recent survey has shown that people are most afraid of heights and public speaking. Besides these two fears, what makes you afraid and why?
