

## **Getting Started**

If your tutor has informed you that they will be using TurningPoint in their class, here is list of things you will need to do.

**Here is a list of what you will need to do:**

### **1) Prepare your TurningPoint Student Account**

You will need to have a TurningPoint Student Account.

**For NTU Undergraduate Students enrolled since AY16**, your TurningPoint Account has been pre-registered for you.

**For other students (Graduate Students, Exchange Students)**, you will need to register for an account via NTULearn.

**Important:** Do not register for an account yourself via the TurningPoint Website.

Click [here](#) for more information about your account.

### **2) Download TurningPoint App on your phone and log into App.**

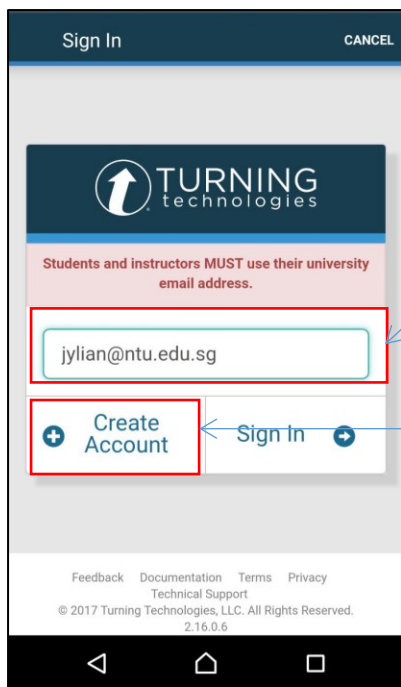

You will need to download the TurningPoint Mobile App. The app is available on both Apple and Android Devices.

Students can choose to use their laptops to participate in polls via their web-based browsers as well.

After downloading, please select “**East Asia**” as the region. Click [HERE](#) for details.

### **3) Log into the app with your TurningPoint Student Account.**

Please log into the app with your assigned TurningPoint Student Account

**Important (Sign-In Name)**  
Please sign in as <username>@ntu.edu.sg  
**DO NOT sign in as** username@e.ntu.edu.sg.

**Do not Create Account via the app.**  
Students should only use the account that is linked to their NTULearn Account

#### 4) Ready to participate in poll!

Once you are logged in, you are ready to participate in the poll.
