Celebrating our 50th Anniversary

◀ He created many firsts

He'll break many firsts ▶

If our past inspires you, our future will certainly astound you. We are celebrating 50 years of nurturing outstanding achievers on Yunnan Garden campus. Outstanding alumni like Mr Tan Swie Hian (Class of 1968), a celebrated multi-disciplinary artist, Mr Ang Swee Tian (Class of 1970), President of SGX, Ms Lien Siaou-Sze (Class of 1971), Senior Vice President, HP Services Asia Pacific, Hewlett-Packard Asia Pacific Pte Ltd, Mr Inderjit Singh (Class of 1985), CEO of Infiniti Solutions, and Ms Stefanie Sun (Class of 2000), a renowned singer.

Building on our core science and technology, business and communications strengths, we now have an expanded curriculum with holistic programmes, and offer a unique undergraduate experience. One that will create a new breed of citizens of the world ready for the global boardrooms of a new globalised, high-tech economy. Indeed, the future has never been more exciting for us.
