FIRST DAY COVER SALE IN AID OF ACS78 BURSARY & ACS78 EARNEST LAU BURSARY FUNDS.

Back in 2008, we had planned to raise enough funds to give out bursaries until 2018 when we plan to have another major fund raising to sustain our effort to help needy students in the ACS family. However due to the timing differences of having to award our bursaries during Founder’s Day in March as opposed to our gathering on the first week of July, we will be short of funds in 2018. We need an additional $6,260 to cover both bursaries. The committee thought that it would be meaningful to offer our donors memorabilia from 1962 Singapore to celebrate their 50th year on this earth!

We have a few commemorative issue 1962 Singapore First Day Covers for sale to raise funds to top up our ACS Class of ’78 Bursary and the ACS78 Earnest Lau Bursary.

Below is the information on these collectible stamps.

Sale will on first come first serve basis. Please e-mail Lim King at king1@pacific.net.sg to indicate the FDC you wish to purchase (please quote the Item Code) and wait for his confirmation before sending your check to him. The FDC will be sent to your local mailing address via registered mail.

Your generous support will go towards helping more needy students in our ACS family.

Thank you.
