

CURRICULUM VITAE

Name: Ng Yew Kwang (Yew-Kwang Ng) 黄有光

Business Address: Division of Economics, HSS, Nanyang Technological University,
Singapore 637332. Phone: 67906785

Education:

Chung Hwa Public School, Butterworth, Malaysia (1948-1955) - First prize in public speech competition, 1954 and 1955.

Han Chiang High School, Penang, Malaysia (1956-1961)

Nanyang University, Singapore (1962-1966)

University of Sydney (1967-1969)

Academic Qualifications:

B. Com. (in Economics), Nanyang University, 1966.

Ph.D. (in Economics), University of Sydney, 1971.

Current Position:

Winsemius Professor, Division of Economics, HSS, Nanyang Technological University, since January 2013.

Main Previous Position: Personal chair in economics, 1985-2012, Monash University.

Honours:

Emeritus Professor in Economics, Monash University, since January 2013.

Fellow, Academy of Social Sciences in Australia since 1981.

Biographee, *Who's Who in Economics: A Biographical Dictionary of Major Economists 1770 - 1986*, Wheatsheaf, London (included in both the 2nd or 1986 edition and the 3rd or 1999 edition; inclusion according to citation counts).

Distinguished Fellow, 2007, Economic Society of Australia.

<http://onlinelibrary.wiley.com.ezproxy.lib.monash.edu.au/doi/10.1111/j.1475-4932.2008.00467.x/pdf>

Other Previous Positions, including Visiting Positions:

Lecturer (1970-1) and Senior Lecturer (1972-3) in Economics, University of New England, Australia;

Visiting Nuffield Foundation Fellow, Nuffield College, Oxford (October 1973 - July 1974);

Reader in Economics, Monash University (1974-1985);

Visiting Professor, Virginia Polytechnic Institute & State University (December 1978 - May 1979);

Visiting Simon Senior Research Fellow, Manchester University (May - November 1979);
 Visiting Professor, University of Hong Kong (December 1986 - January 1987);
 Visiting Professor, University of Maryland at College Park (January 1987 - March 1987);
 Visiting Fellow, University of Melbourne (March 1987 - July 1987);
 Visiting Professor and Fulbright Scholar, Tulane University (December 1987 - March 1988);
 Visiting Professor, University of Copenhagen and Roskilde University (Dec. 1989 – Feb. 1990);
 Visiting Professor, La Trobe University (February 1990 - June 1990);
 Visiting Professor, National University of Singapore (November 1991 - February 1992);
 Visiting Professor, Sino-American Economics Training Center at the People's University of China, program run by the US Committee on Economics Education and Research in China (February 1993 - May 1993);
 Visiting Professor, Institute of Economics, Academia Sinica, Taiwan (November 1993);
 Visiting Professor, UNEP Collaborating Centre on Energy and Environment, Risø National Laboratory (November - December 1993);
 Visiting Professor, The World Bank, Washington, DC (December 1994 - January 1995);
 Visiting Professor, La Trobe University (July - September 1995);
 Visiting Professor, University of California at Irvine (September - December 1995);
 Visiting Professor, Nanyang Technological University (Dec.1995 - March 1996; July-Nov. 2008);
 Visiting Professor of Economics, Chinese University of Hong Kong (1997);
 Visiting Professor of Economics, National Taiwan University (1998, 2000);
 Visiting Professor, Guanghua School of Management, Peking University (October – December 1999);
 Visiting Nanyang Professor, Nanyang Technological University (2001-2);
 Visiting Professor, City University of Hong Kong (Sept.-Dec. 2002; Jan/Feb. 2007);
 Visiting Goh Keng Swee Professor, National University of Singapore (July-Dec. 2002; June-Dec. 2005);
 Visiting Professor, Fudan University, Dec. 2003, Dec. 2005, Dec. 2006, Dec 2007, Dec.2008, Dec.2009.
 Visiting Professor, Jinan University, Guangzhou, Sep-Dec. 2009, Oct-Nov. 2010, 2012;
 Visiting Professor, Xi'an Jiaotong University, Sep-Oct 2010, 2012, 2013, 2014;
 Visiting Professor, University of Macau, Aug-Dec 2011.

A. Teaching:

Service as external examiner, review committee, etc: Lingnan University, National Taiwan University, Chinese University of Hong Kong.

B. Research

Awards/Recognitions:

Fellow, Academy of Social Sciences in Australia since 1981.

Biographee, *Who's Who in Economics: A Biographical Dictionary of Major Economists 1770 - 1986*, Wheatsheaf, London (included in both the 2nd or 1986 edition and the 3rd or 1999

edition; inclusion according to citation counts).

Distinguished Fellow, 2007, Economic Society of Australia.

Served and/or serving as an editor:

Social Choice and Welfare ; Mathematical Social Sciences and Associate Editor, Behavioral and Brain Sciences , and Corresponding Editor, The Manchester School , and on the editorial boards of Economic Record, Journal of Economic Behaviour and Organisation , Pacific Economic Review , Division of Labour and Transaction Costs ,and Singapore Economic Review , among other journals .

Invited Conference Papers/Keynote Speeches:

“Preference, Welfare, and Social Welfare”, Colloquium on “Preference, Choice and Value Theory”, Department of Philosophy, Research School of Social Sciences, Australian National University, 25-27 August 1977.

“Some Broader Issues of Social Choice”, Symposium on Social Choice, France, September 1980.

“Growth or Welfare? On the Economic Development of Chinese Societies with Special Reference to the Nuclear Power Station at Daya Bay”, Symposium on Economic Development in Chinese Societies, Hong Kong, December 1986.

“Some Macroeconomic Implications of Non-Perfect Competition: A Meso-economic Perspective”, plenary session on Micro-to-Macro Interfaces, 15th Annual Conference, European Association for Research in Industrial Economics, Rotterdam, September 1988.

“Divergence between Utility and Dollar Values of Life as One Ages”, First International Conference on Welfare Economics, Spain 1989.

“Computable General Equilibrium with Imperfect Competition: A Marriage of CGE and Meso-economics” (with Heling Shi), invited address, Australian Applied General Equilibrium Modelling Conference, IMPACT Project, University of Melbourne, 27-28 May 1991.

“The Effects and Prospect of Chinese Economic Reforms with Reference to Trade, Investment and Regional Economic Co-operation”, keynote lecture, International Conference on “Trade, Investment and Economic Prospects in China’s Three Economies: Mainland, Taiwan, Hong Kong”, Monash University, 24-26 February 1992.

“Non-neutrality of Money under Non-perfect Competition: Why do Economists fail to see the Possibility?”, keynote paper, International Conference on Increasing Returns and Economic Analysis, September 1995.

“A New Theory of the Firm and its Implications for China’s Reforms”, keynote paper, International Conference on China and the Asia-Pacific Economy, The University of Queensland, 15-16 July 1996.

“The Paradox of Interpersonal Cardinal Utility: A Proposed Solution”, Third International Conference on Economics in Business & Government, Queensland Branch of the Economic Society of Australia, Griffith University, 18-19 July 1996.

“Population and Migration Issues: Some Fundamental Ethical and Economic Considerations”, Asian Studies Association of Australia Conference, La Trobe University, July 1996.

“Can China Continue to Grow Rapidly?” Keynote paper, Conference on China, Open University of Hong Kong, January 1998.

“Solving some Problems of State Enterprise Reform in the Light of Economics”, Keynote paper, International Conference on China’s Ownership Reform, University of Macau, March 1998.

“The Economic Relationships between Mainland China and Taiwan: A Perspective from the principle of Mutual Benefits”, keynote paper, International Conference on Economic Growth of Pacific Asia, National Taiwan University, Sept. 1998.

“Why do Economists Overestimate the Costs of Public Spending?”, Keynote paper, Conference of Australasian Economists, La Trobe University, Sept. 1999.

“From Preference to Happiness: Towards a more Complete Welfare Economics”, Keynote paper, International Conference on Economics and the Pursuit of Happiness, Nuffield College, Oxford, February 2000.

“Rapid Growth in East Asia: Reflections on Means and Ends”, Keynote paper, First Biennial Conference of Hong Kong Economic Association, City University of Hong Kong, Dec. 2000.

“The power and problems of orthodox economics”, Invited keynote paper, Third Annual Conference of Chinese Economic Association, December 2003, Fudan University, Shanghai.

“Policy Implications of Behavioural Economics and Happiness Studies”, International Interdisciplinary Conference on “Progress, Happiness, and Public Policy”, Lingnan University, Hong Kong, 24-25 June 2005.

“Increasing returns and economic efficiency”, keynote speech, Singapore Economic Review Conference, 4-6 August 2005.

Opening keynote speech and “Some welfare economic issues of inframarginal economics”, Professor Xiaokai Memorial Conference, 8-10 September 2005, National Taiwan University.

“The effects of the high growth of China on other countries: A perspective from the principle of mutual benefits”, invited speech, Beijing Forum, 16-18 Nov. 2005.

“Increasing Returns and Economic Efficiency”, Trevor Swan Distinguished Lectures in Economics, ANU, 1 Sept. 2006.

“Do the Economies of Specialization Justify the Work Ethics?”, presented at New Paradigms In Economics Of Welfare And Trade Under Globalisation And Regionalisation, Conference celebrating Professor Murray Kemp’s 80th birthday, Tuesday 8-10 August 2006, University of NSW.

“The Economics of Sustainable Development”, keynote speech at “Governments, Markets and Sustainable Development”, An open forum by Hong Kong People’s Council for Sustainable Development (PCSD) and Hong Kong Economic Association, 14 December 2006.

"Towards an Internationally Acceptable National Success Indicator", keynote speech at the 4th Biennial Conference of Hong Kong Economic Association, Chinese University of Hong Kong, 15-18 Dec. 2006.

"Population and Labor Mobility: Some Conceptual Issues with reference to China", keynote speech at the 2006 International Symposium on Contemporary Labor Economics, Xiamen University.

“Under-consumption? Over-investment? A perspective from behavioural economics and happiness studies”, keynote speech at China in Retrospect, Fudan University, 25 Dec. 2006.

“Environment and happiness studies: Implications for the development direction of China”, Invited keynote speech, Conference on "Chinese economy on a cross road", School of Economics, Fudan University, Shanghai, 27 Dec. 2007.

“Consumption trade-off vs. catastrophes prevention”, invited keynote speech, Shanghai Forum, Fudan University, 25 June. 2008.

“Why is a Financial Crisis Important? Implications for China”, invited keynote speech, Workshop on Three Decades of Economic Reform in China, Renmin University of China, 20 February 2009.

“The Economics of Climate Change”, Australian Leadership Awards (ALA) Fellowship Conference, 5-9 July 2010.

“GDP, Life Satisfaction, Happiness, or Environmentally Responsible Happy Nation Index?” Wellbeing Conference, 7 July 2010.

“The 2008 Financial Crisis: Some Anomalies and some Analytical and Policy Implications”, Melbourne Graduate Students Conference in Economics 2010.

“Happiness Is Absolute, Universal, Ultimate, Unidimensional, Cardinaly Measurable and Interpersonally Comparable”, Singapore Economic Review Conference, Aug. 2011.

“How Do We Analyze Global Catastrophic Risks Rationally?”, Keynote speech, Hong Kong Economic Association Biannual Conference, 13 Dec. 2012.

“Sustainable Economic Development and Social Welfare’, Keynote speech, Nobel Economists Summit of China on 19 March 2013 in Beijing.

“Why Is Finance Important?”, Keynote speech, Singapore Economic Review Conference, Aug. 2013.

“Eternal Coase and External Costs: Correcting a misinterpretation important for environmental protection”, Keynote speech at 12th EBES Conference – 9-11 Jan. 2014 Singapore.

Are Unrealistic Assumptions Acceptable? Some Methodological Issues in Economics, Keynote speech, Hong Kong Economic Association Biannual Conference, 13 Dec. 2014.

“Generalizing Economics and Expanding Markets”, Keynote speech, Western Economic Association International Conference, 7-10 Jan. 2016.

<http://www.weai.org/PR2016>

Other Conference Papers:

Ng Yew Kwang. (2013). Part-peasant: Incomplete Rural-urban Labor Migration in China. *Regional Studies Association North American Conference 2013*. Etc.

External Research Funding:

“Putting Imperfect Competition into the Monash Model” (jointly with Prof. Peter Dixon), Australian Research Council discovery grant, 1994-96.

“Applying New Classical Economics and Meso-economics to the Chinese Economy” (jointly with Dr. Xiaokai Yang), Australian Research Council discovery grant, 1994-1996.

“Meso-economics”, Monash Research Grant, 1995-1997.

“An Evolutionary Approach on the Australian Industrial Structure and Implications for Trade Strategy” (jointly with Dr. Xiaokai Yang and Dr. Heling Shi), Australian Research Council discovery grant, 1996-98.

“An inframarginal analysis of the implications of the network effects of the division of labour on trade and growth” (jointly with Prof. Xiaokai Yang), Australian Research Council discovery grant, 2000-2002.

“Increasing returns and economic performance” (jointly with Prof. Xiaokai Yang, *et al.*), Special Monash University Research Fund 2, 1999-2000.

“WTO membership of China and Sino-Australian investment and trade” (jointly with others), ARC International Exchange grant, 2001-2003.

“Welfare economic issues in the new classical economic framework of inframarginal analysis” (with Xiaokai Yang) Australian Research Council discovery grant, 2001-2002.

“Welfare economic issues in the new classical economic framework of inframarginal analysis:Extension” (with Xiaokai Yang), Australian Research Council discovery grant, 2003-2004.

“Valuing Life and Time in the Knowledge Economy” (with Guang-Zhen Sun), Australian Research Council discovery grant, 2005-2006.

“Increasing Returns and Economic Efficiency Australian Research Council discovery grant, 2005-2007.

“The application of welfare economics and happiness studies to some economic policy issues in Singapore”, SUG, NTU, \$92,500.

Fields of Research Interest:

Welfare Economics (including social choice, public policy, environmental issues), Microeconomics, Microeconomic Foundation of Macroeconomics, Inframarginal Analysis of Specialization, Contemporary Chinese/Singaporean Economic Problems; Proper Limits of Markets.

C. Service

Founding president, Chinese Writers Association, Australia.

Writing articles/columns for various newspapers and magazines in Australia, Mainland China, Hong Kong, Singapore and Taiwan.

D. Part 1. PUBLICATIONS UP TO 1985 (more important items are starred) :

A. Book

- ** *Welfare Economics: Introduction and Development of Basic Concepts*, London: Macmillan, 1979, pp. xvi + 332; second edition, 1983.

B. Articles in Refereed Periodicals up to 1985 (each article is listed once):

i Methodology

- * “Value Judgements and Economists’ Role in Policy Recommendation”, *Economic Journal*, September 1972, 1014-1018. Reprinted in W. Marr and B. Raj, eds., *How Economists Explain - A Reader in Methodology*, Washington: University Press of America, 1983.

ii Consumer Theory

- * “Why do People buy Lottery Tickets? Choices involving Risk and the Indivisibility of Expenditure”, *Journal of Political Economy*, October 1965, 530-535.

“An Analysis of Work and Other Constraints on Choices of Activities: Comment”, *Western Economic Journal*, June 1971, 226-229.

“Step-Optimization, Secondary Constraints, and Giffen Goods”, *Canadian Journal of Economics*, November 1972, 553-560.

iii Production Theory and Theory of the Firm

“A Note on Profit Maximization”, *Australian Economic Papers*, June 1969, 106-110.

“Competition, Monopoly, and the Incentive to Invent”, *Australian Economic Papers*, June 1971, 45-49.

“Factor Market Imperfections, Increasing Marginal Returns, and Optimum Input Proportions: Comment”, *Southern Economic Journal*, January 1972, 426-428.

“Oligopolistic Interdependence and the Revenue Maximization Hypothesis - Note”, *Journal of Industrial Economics*, 1974, 227-233, with T.A. Murphy (New England).

“Utility and Profit Maximization by an Owner-Manager: Towards a General Analysis”, *Journal of Industrial Economics*, December 1974, 97-108.

“Competition, Monopoly, and the Incentive to Invent: Reply”, *Australian Economic Papers*, June

1977, 154-156.

iv Capital Theory

“A Note on ‘Some Cambridge Controversies in the Theory of Capital’”, *Journal of Economic Literature*, March 1971, 68-69.

“Harcourt’s Survey of Capital Theory: A Review Article”, *Economic Record*, March 1974, 119-129.

“The Neoclassical and the Neo-Marxist-Keynesian Theories of Income Distribution”, *Australian Economic Papers*, June 1974, 124-132.

“The Cambridge Controversy in Capital Theory: Reply”, *Australian Economic Papers*, June 1977, 151-153.

v Welfare Economics

“Optimum Saving, Individual Decisions, and the Diminishing Marginal Productivity of Capital”, *Economic Journal*, September 1970, 749-752.

“Definitions and Welfare Conditions of Public Goods”, *Scottish Journal of Political Economy*, June 1971, 199-202.

* “Monopoly, X-Efficiency, and the Measurement of Welfare Loss”, *Economica*, August 1972, 301-308, with R. Parish (Monash).

“Public Goods and the Stability of Federalism: An Extension”, *Kyklos*, September 1971, 526-563.

“Definitions and Welfare Conditions of Public Goods: A Rejoinder”, *Scottish Journal of Political Economy*, October 1971, 347-349.

“Little’s Welfare Criterion under the Equality Assumptions”, *Economic Record*, December 1971, 579-583.

“Pareto Conditions, Behavioural Rules, and the Theory of Second Best”, *Australian Economic Papers*, June 1972, 124-125.

“Bergson Social Welfare Function with Externality”, *Economic Record*, December 1972, 517-526.

* “Income Distribution as a Peculiar Public Good: The Paradox of Redistribution and the Paradox of Universal Externality”, *Public Finance*, 1973, 1-10.

- * “The Economic Theory of Clubs: Pareto Optimality Conditions”, *Economica*, August 1973, 291-298.
- “The Economic Theory of Clubs: Optimal Tax/Subsidy”, *Economica*, August 1974, 309-321.
- “A Note on Consumption Sharing and Nonexclusion Rules”, *Economica*, 1974, 446-450, with R. D. Tollison (VPI & SU).
- * “The Paradox of Universal Externality”, *Journal of Economic Theory*, 1975, 258-264.
- ** “Towards a *Theory* of Third-Best”, *Public Finance*, 1977, 1-15.
- “On Optimal Club Size: Reply”, *Economica*, November 1978, 407-410.
- * “Bentham or Nash? On the Acceptable Form of Social Welfare Functions”, *Economic Record*, 1981, 57: 238-250.
- “Welfarism: A Defence Against Sen’s Attack”, *Economic Journal*, June 1981, 91: 527-530.
- “All ‘Ng’ up on Clubs? A ‘Brand-new Flower’ of Brennan-Flowers”, *Public Finance Quarterly*, 1981, 9: 75-78.
- Welfare Economics: Introduction and Development of Basic Concepts*, 2nd edition, London: Macmillan, 1983.
- “Rents and Pecuniary Externalities in Cost-Benefit Analysis”, *American Economic Review*, December 1983, 73: 1163-1170.
- ** “Quasi-Pareto Social Improvements”, *American Economic Review*, December 1984, 74(5):1033-1050.
<http://www.jstor.org.ezproxy.lib.monash.edu.au/stable/pdfplus/560.pdf>
- * “Expected Subjective Utility: Is the Neumann-Morgenstern Utility the Same as the Neoclassical’s?”, *Social Choice and Welfare*, 1984, 177-186.
- * “Interpersonal Level Comparability Implies Comparability of Utility Differences”, *Theory and Decision*, 1984, 141-147.
- * “Some Fundamental Issues in Social Welfare”, in G. Feiwel, ed., *Issues in Contemporary Microeconomics and Welfare*, 1985, London: Macmillan, 435-469.
- * “Equity and Efficiency versus Freedom and Fairness: An Inherent Conflict”, *Kyklos*, 1985, 495-516.

vi Social Choice

- * “The Possibility of a Paretian Liberal: Impossibility Theorems and Cardinal Utility”, *Journal of Political Economy*, November-December 1971, 1397-1402. Reprinted in C.K. Rowley, ed., *Social Choice Theory*, 1993.
- ** “Bentham or Bergson? Finite Sensibility, Utility Functions and Social Welfare Functions”, *Review of Economic Studies*, 1975, 545-570.

SELECTED (from several hundred) NON-REFEREED PUBLICATIONS

“Classical Chinese Poems”, *Sing Bing Daily*, 8 June 1980.

“The Significance of Welfare Economics for the Modernization of China” (in Chinese), *Chung Pao Monthly*, October 1984, 10,000 words. Reprinted in *Reprints and Translation for Reference* (an official Chinese publication for cadres). This article is based on a lecture given at the Institute of Economics, Academy of Social Sciences, Peking, Shanghai, and Guangzhou, early in 1984.

“The Problems of Speculation and Monopoly in the Chinese Economy”, *Cheng Ming Monthly*, July 1985, 8,000 words.

“The Undesirable Consequences of the One-Child Policy: A Rational Analysis of Population Policies”, *The Nineties Monthly*, October 1985, 11,000 words.

“Chinese-Style Socialism from the Viewpoint of Modern Economics”, *Mirror Monthly*, January 1986, 8,000 words.

“Don’t Cheer Yet: More Strong Medicine Needed”, *Times on Sunday*, 17 May 1987.

“Freedom, Democracy, and Economic Systems”, *The Thinker* (Shanghai), January 1989, 37-42.

“Diamonds could be Keating’s best friend”, *The Age*, 23 June 1989.

“How to raise government revenue without any burden? With reference to Hong Kong”, *Hong Kong Economic Journal*, December 1989, 79-83.

“Soul-snatching Devils” (a novel of about 120,000 words incorporating some economic principles), serialized daily in *Nanyang Daily*, Malaysia, December 1989 - March 1990.

“Are There Valid Economic Grounds for Restricting Immigration?”, *Economic Papers*, March 1991, 10(1): 71-76, with Harry Clarke (La Trobe).

“Exploding the myths of migrant effects”, *Financial Review*, Tuesday, July 16, 1991, with Harry Clarke (La Trobe).

“On the Possibility of Multipersonal Judgments”, *Journal of Shanghai Jiaotong University*, 27(4): 108-109.

“The Economic and Political Prospects of China”, *Hong Kong Economic Journal*, August 1993, 41-44.

“Can’t Move! How to reduce traffic congestion in large cities?”, *Taiwan Economic Research Monthly*, February 1994, 91-93.

“Why do economists underestimate the benefits (welfare) of environmental protection and public goods? A discussion of the effects of relative income”, *Economic Outlook Quarterly*, April 1994, 131-134.

“Relative income and diamond effects: A case for burden-free taxes and higher public expenditure”, *Economic Papers*, 14(4): 29-33, December 1995.

“Reconstructing economic ethics in China”, *Hong Kong Economic Journal*, 238: 3-6, January 1997.

“Happiness, cardinalism and interpersonal comparability: The economist’s prejudice against

subjective concepts”, *Twenty-First Century*, 43: 150-159, October 1997.

“How much should government revenue and spending be?” *Hong Kong Economic Journal*, 243: 6-8, June 1997.

“Can economic growth increase happiness?” *Hong Kong Economic Journal*, 255: 49-53, June 1998.

“Economy in poems: with some ‘single-word’ poems” *Hong Kong Economic Journal*, October 1998, 62-64.

“The contributions of Amartya Sen and some related controversies”, *Contemporary*, Issue No. 135, November 1998, 52-59.

“On China’s state enterprise reform”, *Harvard China Review*, 1998, Vol.1(1): 32-5.

“Who do the World Bank and IMP differ on the East Asian Financial crisis? A mesoeconomic perspective”, *Economic Research Journal* (Beijing), Issue 369, Jan. 1999, 18-21.

“The mutually beneficial economic relationship between Taiwan and Mainland China”, *Economic Outlook Bimonthly*, Issue No. 61 (January 1999), 10-15, with Siang Ng (Monash).

“The presumption of innocence and double jeopardy: Is it reasonable for the employer to fire convicts?” *Hong Kong Economic Journal*, No.264, March 1999, 79-80.

“The economics of returnees”, *Economic Outlook*, May 1999.

“The method of balance in peer assessment”, *Global Views Monthly* (Taipei), July 1999, 128-9.

“Theory and practice: Why should the five-day week be encouraged?” *Economic Outlook Bimonthly* (Taipei), No. 65, Sep. 1999, 100-2.

“The current economic problems in China: demand or supply side?” *Economic Highlights*, October 1999.

“Life is more valuable for the old”, *Economic Highlights* (China), No. 354, 17 Dec. 1999, 1 and 4.

“Was Fan Gang Wrong?”, *Economic Highlights*, No. 367, January 2000, 4.

“The Economics Of Education Reform”, *Economic Highlights*, No. 371, February 2000, 4.

“WTO, Cars and Diamond Goods”, *Economic Highlights*, April 2000, 4.

“Economics and Happiness – Report on Conference at Nuffield College, Oxford”, *Hong Kong Economic Journal*, No. 277, April 2000, 74-75.
