

GET FULL TEXT THE EASY WAY!

This tool seamlessly retrieves full text articles or e-books subscribed by NTU Library.

Scan this to get full text on your mobile device!

FULL TEXT
@ NTU Library

2 methods to find

METHOD

1

Save and use our bookmark

Go to https://www.ntu.edu.sg/library/About_NTULibrary/Pages/Tools.aspx to save our full text bookmark in your browser. It works on your computer & mobile devices!

- 1 Find the article that you need full text.
- 2 Click on the bookmark.
- 3 Login with your NTU Network account to check if our Library has access.

METHOD

2

Connect Google Scholar to our Library

- 1 Go to scholar.google.com
- 2 Under Settings, go to **Library Links**
- 3 Search for "Nanyang" and check the box 'Nanyang Technological University (NTU) Singapore - Full Text@NTU Library'
- 4 Click 'Save' – this is a one-time setup

Now when you search in Google Scholar, a **Full Text@NTU Library** link will appear beside your results. Click to check if our Library has access.
