Europe: MSCA Individual Fellowships. An Opportunity for ASEAN Researchers to Spend Up to 2 Years at a Lab in Europe. Call will open 12 April

Individual Fellowships support the mobility of experienced researchers (in possession of a doctoral degree or with at least four years of research experience). They provide opportunities for ASEAN researchers to work on research in a European context (EU Member States and Associated Countries) and for European researchers to work in ASEAN. Call information here

Practical Information on How ASEAN Researchers Can Access EU Research Funding and Fellowships

Horizon 2020 is the biggest EU Research and Innovation programme ever with nearly €80 billion of funding available over 7 years (2014 to 2020). The programme offers plenty of opportunities for researchers in ASEAN to collaborate with partners from Europe or to conduct research in Europe. For some practical advice on how to access these opportunities, please click here

How the Southeast Asia Chapter of the Marie Curie Alumni Association Can Help You Access EU Research Funding

Dr Tatas Brotosudarmo, Chair of the Southeast Asia Chapter of the Marie Curie Alumni Association (MCAA), shared his MSCA experience at the Horizon 2020 Info days in Jakarta earlier this month which were supported by EURAXESS ASEAN. He outlined the range of services offered by the MCAA for those researchers in Southeast Asia who are interested in applying for the MSCA. Learn more here
