Notes:

1. All percentages are based on the total academic unit requirement. One academic unit = One hour of lecture/tutorial per week or 3 hours of lab/fieldwork per week.

2. Core courses are compulsory courses required to satisfy programme requirements. Major Prescribed Electives are courses for specialisation in a particular degree programme.

3. General Education Requirement is the curriculum requirement for broadening study and is divided into 3 areas of studies as follows:

   (a) GER Core - These are courses relating to Communication, Singapore Studies and Environmental Sustainability.

   (b) GER Prescribed Electives - The courses are categorised into 4 sub-areas of studies relating to:

      (i) Arts, Humanities & Social Sciences (AHSS)

      (ii) Business & Management (BM)

      (iii) Liberal Studies (LS)

      (iv) Science, Technology & Society (STS)

   (c) Unrestricted Electives - These are courses chosen by students to broaden their learning experience. The Unrestricted Electives may cover any area offered by the various Schools. They can also be fulfilled through pursuing minor.
