What you can do as a supervisor…

**Ultra-Safe Man**

You look like Ultra-Man with all your protective gear.

Thanks! It’s my job to work safely for me and for you!

What you can do as a worker…

**Supervisor To The Rescue**

It’s my job to keep this workplace safe.

Always be alert because workplace safety and health depends on you!

Safety Tips

- Have you received safety and health training at work?
- Are you mindful of the safety of others around you?
- Do you wear protective gear on the job at all times?
