THE CURRICULUM

The NTU-USP curriculum is designed to be academically rigorous, intellectually daring, and stimulating. Class sizes are kept small to maximize interaction and foster creative discussions. Opportunities for internships and overseas placements are offered by the college, giving students the chance to engage in a range of career-relevant projects, and to experience other aspects of cultures, which may be important to their lives. Students are given greater freedom to choose different courses from their main degree of study, provided they are authorized. The program also offers students the opportunity to study at other universities abroad.

BEYOND THE CLASSROOM

NTU-USP encourages scholars to participate in a wide array of international programmes, projects, and events, where students will have the chance to experience academic and cultural life in a vibrant global,
