

Guide to self-enrolment for Anti-Harassment course on NTULearn

For: Coursework and Research students

Step 1

Search 'SLO' courses in the Course tab.

The screenshot displays the NTULearn website interface. At the top left is the NTU logo and name. A navigation bar on the right includes 'Institution Page', 'Courses' (highlighted in a blue box), and 'NTU Tool'. A red banner across the page reads: 'All the below self-paced and self-enrollment courses are for students ONLY! Faculty and Staff should access ALL their self-paced learning courses through WorkDay effectively 1 C'. Below this, a search box is titled 'Search for courses which allow self-enrollment' and contains the text 'SLO' in a blue box, with a 'Go' button to its right. A green oval highlights the search box and button. To the right of the search box is a green 'Step 1' label. Further right is an 'ERIC Service Announcement' section with the text: 'Dear all, RI-ERIC has closed as of 2 Oct 2019 and certificates of completion can no longer be accessed. If completion scores are required, please'. On the far right is a 'LinkedIn Learning' section with a banner for 'Lynda.com is now Lin'.

Step 2

Select the course to self-enrol to the course.
