

CORAL

Crescent **O**ut**R**ageously **A**utomated **L**ounge

◀ Welcome Mode

Upon entrance detection via motion sensor, the room lights up and welcome message is played.

Work Mode ▶

Work lamp turns on via proximity sensor for soldering station.

◀ Romance Mode

Triggered by the removal of flowers from a vase, main lights turn off and fairy lights gradually illuminate in sync with Nat King Cole's "L-O-V-E".

Party Mode ▶

Disco lights and party music are activated upon the push of a 'big red button'.
