

Tuition Fees for Graduate (Research) Full-Time and Part-Time Programmes for Academic Year 2019-20

1) Eligibility Guidelines for Ministry of Education (MOE) Subsidy

The substantial tuition subsidy from the Government of Singapore comes in the form of a MOE Subsidy which is administered by the Ministry of Education (MOE) and is offered to all admitted students up to the maximum programme duration. Students need not apply for the MOE Subsidy if they are eligible.

(1.1) Students with a Higher Degree Qualification

Students who have previously enjoyed MOE subsidy in a graduate programme will not be eligible for MOE subsidy in another graduate programme at the same or lower level. Instead, such students will be liable to pay “Full Fees” for the graduate programme that they now wish to undertake. For example, students who had previously enjoyed MOE subsidy in a Masters programme and had attained the Masters degree will not be eligible for subsidy in another programme at Masters degree or lower level. In addition, if they wish to upgrade in another discipline area where the programme has a combination of Masters and PhD candidature, they will not be eligible to enjoy MOE subsidy during the Masters candidature.

(1.2) Transferred or Re-admitted Students

Students who are transferred or re-admitted within NTU or across Autonomous Universities ** will be eligible to receive MOE subsidy up to the maximum programme duration for the new programme less number of semesters of MOE subsidy received for the previous programme.

** Autonomous Universities refer to NTU, National University of Singapore (NUS), Singapore Management University (SMU), Singapore University of Technology and Design (SUTD), Singapore Institute of Technology (SIT) and Singapore University of Social Sciences (SUSS).

2) Service Obligation

Individual international student who chooses to pay lesser subsidised fees will need to take up a 3-year service obligation. As part of the service obligation, the foreign student is required to work in Singapore-based companies upon graduation.

Those who choose NOT to opt for the service obligation will be liable for non-subsidised fees.

Singapore-based companies refer to local companies and international companies that have a base in Singapore which is registered with the [Accounting & Corporate Regulatory Authority](#) (ACRA).

The duration of the service obligation is fixed at 3 years, regardless of the duration of study at subsidised rates.

Notes:

1. All fees listed above are in Singapore dollars (S\$). Every year, fees are reviewed and subject to revision.
2. Updates on unconfirmed fees will be provided at a later date.
3. For Singaporeans and Singapore Permanent Residents under subsidised programmes, the tuition fees are exclusive of GST. The GST for these students is borne by MOE.
4. For international students under subsidised programmes, the tuition fees are inclusive of 7% GST and payable by students.
