This workshop is brought to you by **The Academic Respiratory Initiative for Pulmonary Health (TARIPH)**.

TARIPH is a national research platform that addresses respiratory health and disease in Singapore. It brings together interdisciplinary teams that share common interests, and acts as a platform for the exchange of ideas and development of sustainable relationships.

TARIPH members will be able to benefit from:

- i. Research collaboration workshops,
- ii. Assistance with potential collaboration across Singapore,
- iii. Facilitation of interdisciplinary initiatives,
- iv. Networking events, and
- v. National and International symposia.

Please join us at <http://tiny.cc/JoinTARIPH> to be kept in the loop for future TARIPH events. Membership is free. We welcome all who are interested in academic respiratory research to join the TARIPH family.

Please visit our web page at <http://www.lkcmedicine.ntu.edu.sg/Research/TARIPH/Pages/Home.aspx> for more information about TARIPH.
