Students are classified into respective study year according to the number of AU earned. Students will not advance to the next study year if their Cumulative Grade Point Average (CGPA) is nil. Students placed on Academic Warning and Academic Probation will not advance to the next study year until they have been restored to satisfactory academic standing.

Double Degree Programmes

Students from double degree programmes are promoted to the next study year once every 2 semesters they have completed, except for Double Degree in Biomedical Sciences & Chinese Medicine. For the latter, students will be promoted based on promotion AU for the Bachelor of Science in Biomedical Sciences component at NTU. While at Beijing University of Chinese Medicine, students will progress based on the requirement for Bachelor of Medicine (Chinese Medicine).
