In addition, applicants are required to submit the following materials for admissions assessment:  
1. Academic results  
2. Personal statement  
3. Two online referee reports  
   (One of the referees must be the applicant’s personal tutor/mentor. The online referee report is in question and answer format. The questions will take no more than 10 minutes to complete. Instructions and login details will be provided to applicants who will in turn forward the login information to their referees.)  
Applicants are also recommended to provide details of exceptional talents and/or outstanding achievements beyond school co-curricular activities for admissions assessment.  
**University Clinical Aptitude Test (UCAT)**  
Applicants will have to register for the University Clinical Aptitude Test (UCAT) and take the UCAT as part of the criteria for entry to the LKCMedicine MBBS programme.  
The University Clinical Aptitude Test (UCAT) is a computer-based admissions test, used by a consortium of UK Universities and non-UK associate member universities including Lee Kong Chian School of Medicine (LKCMedicine) to help select applicants for medical and dental degree programmes.  
It is a two-hour test consisting of five separately timed subtests in multiple-choice format. It is an aptitude test focused on assessing a range of mental abilities and knowledge candidates should already have.  
If one is applying to the AY2024-25 intake of LKCMedicine, one should take UCAT between 10 July and 28 September 2023, prior to applying to LKCMedicine. Only results of the UCAT taken in the twelve-month period prior to admission to LKCMedicine will be considered in the selection process.  
A copy of the UCAT leaflet can be downloaded [here](https://www.ntu.edu.sg/medicine/education/bachelor-of-medicine-and-bachelor-of-surgery-(mbbs)). | Yes |
