

DP2005 Photography: Color and Context

Eligibility: NTU

Pre-requisite: DP2000 or DP2001 or DN1012

Oh Soonhwa (Associate Prof)

G1 (63304) Monday 1:30-16:20 at ART 02-26

G2 (63305) Tuesday 1:30-16:20 at ART 02-26

Oh soonhwa

Learning Objective and Content

This intermediate-level course will introduce you to advanced analog and digital colour photographic processes, alongside conceptual project development methodologies, which you will then apply in the creation of an exhibition-quality print series. This learning forms the foundation for further studies in contemporary photographic practices.
