

DP2011

Photography: Light and Location

Eligibility: NTU

Pre-requisite: DP2006

Jasper Yu: G01 (63309) Mondays 16:30-19:20 at ART 02-24

Kenneth Wong: G02 (63310) Thursdays 13:30-16:20 at ART 02-24

Kenneth Wong

Learning Objective and Content

In this class, you will explore lighting set-ups to photograph your original concepts in the most appropriate manner. Through demonstrations and practical projects, you will learn how to transform subject and scene through exploration of a variety of lighting strategies – single, multiple and mixed sources in techniques that are used at a professional level.
