

SG Digital Scholarship (Postgraduate – Cybersecurity Track)

[SG Digital Scholarship \(Postgraduate – Cybersecurity Track\)](#)

Your passport to becoming our next-generation leader in Cybersecurity - this is the opportunity to spearhead our national digital transformation. In collaboration with the Cyber Security Agency of Singapore (CSA), the SG Digital Scholarship (Postgraduate – Cybersecurity Track) is an industry scholarship that enables you to pursue Master's or PhD-level studies and take the next big step in your passion for Cybersecurity.

Applicants for the SG Digital Scholarship (Postgraduate – Cybersecurity Track) must meet the following criteria:

- Singapore citizen;
- The postgraduate programme has to be cybersecurity-related and offered by a local autonomous university or a renowned overseas university;
- A current student in a cybersecurity-related postgraduate programme with minimally one academic year of study remaining from the point of scholarship award; or
- A candidate who has yet to enrol in any cybersecurity-related postgraduate programmes and will commence his/her Master's or PhD within one year from the point of scholarship award.

The following programmes are not eligible:

- i. Online or distance learning courses;
- ii. Part-time Overseas Master's; and
- iii. Part-time Local/Overseas PhD programmes.

The bond commitment will be as follows:

For Master's:

- 3 years for full-term Overseas Scholarship
- 2 years for mid-term Overseas Scholarship
- 2 years for full-term Local Scholarship
- 1 year for mid-term Local Scholarship
- Bond-free for Part-time Local or mid-term Part-time Local Scholarship

For PhD:

- Bond-free for Local Scholarship (including full- or mid-term)
- 5 years for full-term Overseas Scholarship
- 3 – 4 years for mid-Term Overseas Scholarship

Successful applicants will be given support for:

- Tuition and other compulsory university fees
- Annual living allowance (for Overseas Master's and PhD only)¹
- Enhanced annual stipend (for Full-Time Local/Overseas Master's and PhD only)¹
- Pre-studies allowance²
- Thesis allowance
- Medical insurance, visa fees, etc. where mandatory
- Funding support for courses and certifications beyond school curriculum
- Support for overseas experiences² including overseas internships, student exchange programmes and competitions
- For PhD studies: conference allowances, travel allowances and book allowances
