

## **SG DIGITAL SCHOLARSHIP (POSTGRADUATE)**

[IMTalent | SG DIGITAL SCHOLARSHIP \(POSTGRADUATE\) \(imda.gov.sg\)](https://www.imda.gov.sg/SG-DIGITAL-SCHOLARSHIP-POSTGRADUATE)

The **SG Digital Scholarship (Postgraduate)** is an industry scholarship that empowers individuals interested in pursuing tech or media-related studies at the Masters or PhD level. Individuals pursuing postgraduate studies in specialised tech or media-related areas such as Artificial Intelligence, Cybersecurity, Analytics, Immersive Media, and Digital Content Creation can chart their future with this scholarship.

The SG Digital Scholarship (Postgraduate) offers shorter bonds as follows:

For Masters studies:

- 3 years for Full Overseas Scholarship
- 2 years for Full Local Scholarship or Mid-Term Overseas Scholarship
- 1 year for Mid-Term Local Scholarship
- Bond-free for Part-time Local or Mid-Term Part-time Local Scholarship

Applicants must meet the following criteria:

- Singapore citizen;
- Postgraduate programme has to be tech or media-related and offered by a local autonomous university or local arts institution or renowned overseas university;
- Current student taking his/her postgraduate programme with minimally one academic year of study remaining from the point of scholarship award; or candidate who has yet to enroll in any postgraduate programmes and will commence his/her Masters or PhD within one year from the point of scholarship award; and
- Priority will be given to non-public officers. Public officers are encouraged to apply in-house schemes available in their organisations.
- Fresh graduates or professionals are welcome to apply.
- The following are not eligible: (i) Online or Distance learning courses, (ii) part-time Overseas Masters, and (iii) part-time Local/Overseas PhD programmes.

Successful applicants will be given support for:

- Tuition and other compulsory university fees
- Annual living allowance and/or stipend\*
- Pre-studies Allowance^
- Thesis allowance
- Medical insurance, visa fees, etc. where mandatory
- Funding support for courses and certifications beyond school curriculum
- Support for overseas experiences^ including overseas internships, student exchange programmes and competitions
- For PhD studies: Conference allowances, travel allowances and book allowances
