

HYUNDAI – NTU 3D Printing Challenge 2022 for Electric Vehicle (IONIQ 5)**Registration Form**

Full Name:	
Email:	
Contact No:	
Theme – Track 1 or Track 2	
Other Information: (Team Member, etc)	

Insert the rendered image of your design here. The rendered image should also be submitted as a separate file in your submission package (you may extend this box depending on the design).

By entering this competition, I declare that

1. This entry is my original work and have not been in production or otherwise previously published or exhibited.
2. This design including picture, icon, symbol within, shall not in any way infringe any third party's right, including but not limited to copyright, logos, trademark, or other proprietary rights.

3. I understand that should my entry be found in breach of any of the above 2 points, it will be disqualified automatically.
4. I agree that the organizer will retain the ownership of all entries, and should this entry be shortlisted as the winning design, the organizer reserves the right to print, use and alter it in any manner deemed fit, without payment of any fee.
5. By submitting this form, you hereby acknowledge that you have read and understand [NTU Privacy Statement](#) ("Statement"), and you consent that Nanyang Technological University can collect, use and disclose all the personal data provided by you in accordance with the Statement and/or Personal Data Protection Act.
