

## Exchange Criteria

You must meet the requirement listed below for your Student Exchange Programmes, application to be approved.

1. Students must have completed at least 1 semester of studies at the point of application and at least 2 semesters at the point of admission to the host institution.
2. Students doing final year project (FYP) are not allowed to go for an exchange programme.
3. [ABP](#) students should not attend in Year 3 Semester 2.
4. Students should not go for overseas exchange in semester 2 of Year 2. This is because EID, which is a compulsory course, is only offered in semester 2. Students, who need to go for overseas exchange in semester 2 of Year 2, pls approach the school for approval.
5. For students admitted from AY2011/12 onwards, at least 69 AUs of courses must be graded and at least 60% of their Core and Major PE courses must be graded.  
For students admitted before AY 2011/12, at least 77 AUs (for students admitted to Year 1) / 66 AUs (for students admitted to Year 2) of courses must be graded.
6. All examinations (main, supplementary or otherwise) for courses offered by the host university will have to be taken at the host university, not in NTU.
7. Requests to cater for an early examination at the host university or any other special requests must be fully justified and are subject to approval by the Host University and NTU.

For students admitted from AY2011/12, at least 60% of their Core and Major PE courses must be graded. All students must also fulfill at least 69 AUs of graded courses. Students who wish to attend overseas programmes (exchange-based e.g. GEM Explorer & GEM Discoverer or fee-paying) need to pay special attention to the following table.

Total AU Requirements	B.Eng Students Admitted to Year 1	B.Eng Students Admitted to Year 2
Graduation requirements	138 AUs	113 AUs
Minimum number of <u>graded</u> courses to graduate	69 AUs	69 AUs
Core & Major PE Courses	96 AUs	91 AUs
Minimum number of <u>graded</u> Core & Major PE courses	60% x 96 AUs = 58 AUs	60% x 91 AUs = 54 AUs
	96 AUs – 58 AUs = 38 AUs	91 AUs – 54 AUs = 37 AUs
Remaining Core & Major PE courses	Examples: <b>Course Exemptions Attachment Programmes</b> (e.g. MA3079 Industrial Attachment) <b>Overseas Programmes</b> (e.g. GEM Explorer, GEM Discoverer programmes)
