	e-learning																		F2F
	SPMS Safety Video and safety guide	Basic Safety Training - OHS2BST01	SGSECURE Prepared Citizen Training OHS2PCT01	Understanding Signage from SS508 - OHS2SIG01	Basic Biosafety Training Course : Module 1 - OHS2BBL01	Basic Biosafety Training Course : Module 2 - OHS2BBP01	Chemical safety training OHS2CST01 - Introduction to chemical hazards	Chemical safety training - Managing chemical hazards	Chemical safety training - Working with hazardous chemicals	Ionizing Radiation: Working With Ionising Radiation - OHS2IR01	Non-ionizing Radiation: Working with Non-Ionising Radiation - OHS2NIR01	Risk Management Core Module: OHS2RMM01	Risk Management for Workplace: OHS2RMMW01	Lockout Tagout - OHS2LOT01	General Emergency Preparedness - OHS2GEP01	Donning a Disposable Respirator - OHS2DDDR01	Fitting a Half Mask Respirator - OHS2HMR01	Liquid Nitrogen Handling	
Office Staff	C	C	C																
Lab Users	C	C	C	C															
Faculty / Principal Investigator	C	C	C																
Persons that need to conduct / approve RA												C	C						
Biological Users (Staff, Students & Researchers)					C	C										D	D		
Chemical Users (Staff, Students & Researchers)							C	C	C							D	D		
Radiation Users: Ionising (Staff, Students & Researchers)										C									
Radiation Users: Non-ionising, Laser (Staff, Students & Researchers)											C								
Radiation Users: Non-ionising, Ultrasound (Staff, Students & Researchers)											C								
Emergency personnel (LO, EC, FW, PWD custodian, first aider, SIC, SMC, CERT)															C				
Maintenance personnel				C										C					
Person need to handle liquid nitrogen																		C	

C Compulsory (Safety Training Requirement)

D Desirable (where relevant to role)

# SPMS Safety Training Matrix

## Mandatory external safety training

	Occupational First Aid (OFA)	Occupational First Aid (OFA) - Refresher Training	Rigger and Signalman Course	WSQ Lifting Supervisor Course	WSQ Manage hazard substances (for HS permit holder)	OSHMS Internal Auditor Training, i.e. ISO 45001 Internal Auditor	WSQ Implement incident management process - for SMC & SIC (for PFM above 5MT)	WSQ Respond to fire & HAZMAT emergency - SIC & CERT members (for PFM above 5MT)	CERT First Aider Course
HS Licence Holder					M*				
HS Permit Holder					D				
Appointed Rigger			M						
Appointed Signalman			M						
Appointed Lifting Supervisor			M	M					
Appointed First Aider	M	M							
Company Emergency Response Team (CERT), i.e. SMC, SIC, CERT members							M^	M^	M^
Appointed Internal Auditor (OSHMS)						C			

M Mandatory (Prescribed by law)

\* Omitted if special waiver is obtained from NEA

^ Applicable where the PFM licence > 5 tonnes of flammable storage
