

AY23 Sem 1 – PH4411 Course Application

PH4411 - Introduction to Experimental Particle Physics will be offered for AY23 Semester 1.

You may find more information (course content and its pre-requisite) regarding PH4411 at the following link: [Detailed course information](#)

Application for PH4411 will be open until **Sunday 23 July, 2359h**.

If you are interested to read the course(s), please submit the application via the link below:

<https://forms.office.com/r/azFfca4vc2>

Do note that the application is subject to approval.

Please ensure that your academic load does not exceed semester load. If the maximum load is already reached, do apply for semester overload (which is subject to approval). The application for overload and PH4411 can be submitted at the same time.

After the deadline, successful applicants will be registered for the course by the school. Students will be notified on the application outcome via email.
