MSc in Applied Economics (MSAE)

Realize your highest aspirations with a leading global University - NTU

About MSAE

Nanyang Technological University (NTU) is a dynamic and research-driven institution, **ranked 12th globally and 3rd in Asia according to the QS World University Rankings 2025.**

The School of Social Sciences at NTU offers MSc in Applied Economics, designed to deliver comprehensive postgraduate training in economics. The programme is geared towards equipping graduates with the necessary skills for successful careers in the public and private sectors, as well as in various fields of economic research.

Notably, our curriculum is tailored to produce quantitative-focused researchers and analysts who possess robust theoretical knowledge.
