

Mid-project peer evaluation of individual team members' contribution

Using the criteria matrix below, rate each other member in your team on a scale of 0 to 4 with regard to their contribution to the FYP. Please note the following:

Your evaluation of other team members:

- is mandatory.
- is confidential (your teammate(s) will not be able to see it).
- is your opportunity to share your opinion/feedback in an official manner.
- can have an important bearing on each individual's grade on the project.

Therefore, please ensure that your evaluation has been carefully considered and is fair.

Criteria Matrix

Score	0	1	2	3	4
Intellectual contribution to project design (research question, methods)	Never contributed anything to the group project		Occasionally provided contribution that met our expectation		Provided thoughtful and meaningful intellectual contribution
Amount Of effort, relative to other team members	No effort made to contribute		Contributed what was expected from the team		Significantly contributed towards the team's success of the group, beyond expectations
Dependability	Could not be depended upon to complete any task	Got things done, but usually late	Usually got things done on time	Always got things done on time and accurately	Always got things done on time and accurately, plus picked up the slack
