

**Kelvin Kok**

*Technopreneur, Start-up Founder, Angel Investor, KM practitioner, Former Military Officer & diplomat, community leader*

*Master of Science in Technopreneurship & Innovation Programme (MSc TIP), NTU Entrepreneurship Academy (NTUpreneur)*

*Master of Science in Knowledge Management (KM), Wee Kim Wee School of Communication and Information*

Currently, Kelvin holds two separate positions in two related business entities.

First, he is the Chief Executive & Founder of Future Groupe Pte Ltd (FG). FG was a Mil-Tech consulting firm since inception in 2015. In Dec 2022, FG pivoted completely to be a Deep Tech company under the brand OneNorth.ai. The company is dipping into the space of Artificial Intelligence & Deep Learning to explore AI possibilities to make lives easier, safer, and smarter. FG possesses the breakthrough AI innovative solution that is capable to learn and adapt to cross sector demands for AI applications, particularly for the Defense & Security and Smart Cities sector.

Second, Kelvin had invested in and is the Co-founder & Chief Operating Officer of an AI Startup, Ailiverse Pte Ltd. Ailiverse is developing no-code AI SaaS solutions for developers. The startup also developing generative AI solutions for the government and the banking sector.

Previously, Kelvin had a two decades of successful military career, held both command and staff positions including diplomatic tour of duty overseas.

**Lifelong learning & Knowledge Management**

Kelvin believes that expert is a continuum and is passionate in knowledge sharing. He is a certified facilitator for adult learners and a KM practitioner.

**Community Service**

Kelvin has been volunteering in different capacity in SAF and as a grassroots leader in the community since 2015 to promote social cohesion and bonding. He was awarded two National Day Awards in 2016.

**Areas of expertise:**

Entrepreneurship, Artificial Intelligence, Organisation excellence, Community service
