

**Frontiers in Peptide Science and Drug Discovery:**  
A Scientific Symposium in Honor of Professor James P. Tam

5 AUG 2022 (FRI)  
0900 - 1800 SGT

SBS Classroom 1,  
NTU Singapore

Sponsorship Prospectus

Co-organised by NTU School of Biological Sciences and NTU Institute of Advanced Studies

The '*Frontiers in Peptide Science and Drug Discovery: A Scientific Symposium in Honor of Professor James P., Tam*' will take place on 5 August 2022 at the SBS Classroom 1, Nanyang Technological University (NTU), Singapore.

The symposium is jointly organized by the School of Biological Sciences and the NTU-Institute of Advanced Studies (NTU-IAS) in honor of Professor James P. Tam's outstanding research works and lifetime achievements in Peptide Science and Drug Discovery. It will cover many exciting fields of **peptide and protein research** including **chemistry, structure and function, and applications in medicine and materials science**.

About 100 scientists and researchers from all over the world are expected to attend, share and learn about the current forefront of peptide / protein science and drug discovery; as well as to exchange ideas and establish research collaborations or business relations across both academia and industry.

We invite your institution / organization to consider the various sponsorship opportunities outlined in this prospectus. Your strongest support would not only strengthen your current marketing efforts in creating brand awareness for your organizations, but would also be a great honor to Prof James Tam's lifetime achievements and a booster to the peptide and protein research community.

**Assoc Prof LIU Chuan Fa**  
Symposium Chair /  
Associate Professor,  
NTU School of Biological Sciences

**Dr ZHANG Lianshan**  
Symposium Co-Chair /  
Senior Vice President and Global R&D President  
Jiangsu Hengrui Medicine, China

## Why Become A Sponsor?

This Symposium will be widely attended by academics and researchers in the peptide and protein science realm worldwide. Through this symposium, sponsors will be able to reach out to their target audience and create brand awareness.

### Increase Brand Awareness

- The symposium website is widely accessed by academics and researchers who are submitting abstracts; as well as registering for this symposium.
- Our sponsors will be featured prominently on the website. The hyperlinks to your organizations' websites will certainly help to enhance brand awareness amongst the target audience.

### Networking Opportunities

- Admission to scientific sessions provides you opportunities for networking and fostering direct business relationships with the experts and decision makers.

### Onsite Marketing

- Interact with your target audience and boost their interests by showcasing your latest product(s) at the table-top exhibitions throughout the conference.

***We sincerely thank you in advance for your strong commitment, passion and support to the Scientific Community which contributes greatly to our human society ultimately.***
