**GRANT CALLS / INNOVATION CHALLENGES**

**CSXC 2022** calls for state of the art solutions to make buildings more climate-resilient and resource-efficient. Up to 10 outstanding innovations will be given the opportunity to pilot at selected CapitaLand properties around the world and win up to S$50,000 to cover each pilot's costs.

**Registration:**
- Date & Time: 28 Feb 2022
- Deadline: 28 Feb 2022
- Website: www.csxc.com
- Contact: csxc@capita.com

**Singapore APEX Business Summit: Accelerating Asia-Pacific to re-open their economies?**

This event by the Singapore Business Federation gathers business executives, political leaders, government officials, industry experts, and academia from Asia-Pacific to explore pressing questions—how has the world changed for Europe, the US, and the rest of the world? What new opportunities? What should businesses do to grow as countries around the world re-open their economies? The Asia Trade Week is a must-attend event for those involved in trade in Asia-Pacific and will convene business leaders, trade negotiators, policymakers, and business envoys.

**Registration:**
- Date & Time: 21 - 24 Mar 2022
- Venue: Online
- Fee: $500

**Deep Dive Sessions on Home-based & Wearable Health Monitoring**

This session will provide platform technology for devices.

**Registration:**
- Date & Time: 3 Mar 2022, 10am (SGT)

**Evonik continuously develops solutions beyond chemistry through research and development, as well as how important the right innovation management is in this process. In this talk, Andreas Fischer, Evonik’s Chief Innovation Officer, will share how the company is driving innovation, digitalization, and efficiency improvements that support growth and competitiveness.**

**From Idea to Innovation: Leading Beyond Chemistry at Evonik**

**Registration:**
- Date & Time: 16 Feb 2022, 3pm (SGT)
