

CINTRA Safety Objectives and Programmes 2018

Safety Objective 1:

To review and carry out proper workplace risk assessments for work activities undertaken by the School by 30 November 2018

Safety Objective 2:

To implement a programme for housekeeping to ensure that at least 75% of work areas in CINTRA are free of debris and cable running on the floor so as to prevent accident / incident due to slip trip and fall (STF) hazards by 30 November 2018.
