

The Daily Chinese – HSK programme is customised to the needs of anyone who wish to learn Chinese language and culture. It consists of Basic, Intermediate and Advanced levels adapted from the HSK syllabus. The syllabus covers a wide range of daily topics, such as talking about personal information, living, working, as well as social interaction etc. The theme-based lessons will provide learners with a comprehensive training, which develops their skills in listening, speaking, reading and writing for an all-rounded practice. At each level, they will learn an average of 400 words and 50 language points.
