Bursaries are available for financially-needy students pursuing their MBBS programme at NTU. To be eligible to apply, you should meet either of the following criteria:

- Per Capita Income (PCI) is less than or equal to $2,250 per month or
- Gross Household Income (GHI) is less than or equal to $9,000 per month

The PCI is calculated as follows:

\[
PCI = \frac{\text{Gross Household Income (GHI)}}{\text{Total No. of Family Members in Household}}
\]

*GHI refers to income before CPF deductions. It includes income, allowances, overtime, commissions and other sources of income by family members residing in the same household as the applicant.
