

Aruna Pradipta

Chief Commercial and Operating Officer Fairatmos

Aruna Pradipta is part of the Founding Team at Fairatmos, where he currently serves as the Chief Commercial and Operating Officer, overseeing the company's business and operational activities across Southeast Asia.

Aruna previously spent 5 years with Systemiq, working with private companies and governments to incubate nature-positive business in the tropical belt. He has successfully grown Fairatmos' carbon project portfolio, assessing more than 25 million Ha of forest areas across Southeast Asia and developing carbon projects that will generate over 4 million carbon credits per annum.

Aruna is also part of the ASEAN Alliance on Carbon Market (AACM), supporting stakeholders across Southeast Asia to develop a framework for high quality and high integrity carbon markets.
