

## Looking Forward to October 25 – 31

**Tell us HOW!**  
**We can help**

### 25<sup>th</sup> – 31<sup>st</sup> October 2020

**Tell us HOW!** NISTH calls out to all our **Societal Impact Fellows** to let us know how we can help you, with challenges you are facing with proposals, research projects or finding research partners.

Let us know: <https://forms.office.com/Pages/ResponsePage.aspx?id=SJPOFSq-K0aPwOF2WpsgSjbJiMAqFu9En6CVjQNeGJUNVJERIFaWjdUMktESjg4TDE2VEJWS0VXTi4u>

### 19<sup>th</sup> October – 6<sup>th</sup> November 2020

**oneNTU ECHO Ideathon**, is more than just a contest, the Ideathon hopes to actively engage our staff and students to develop ideas together, aligning to ECHO objectives and creating a sustainable environment on campus

Register: <https://event.ntu.edu.sg/echoideathon/Documents/index.htm>

### 25<sup>th</sup> – 27<sup>th</sup> October 2020

**World Health Summit**, will take place as a fully digital, interactive conference with cost-free availability of the entire program. All 50 keynote sessions, panel discussions and workshops will be broadcast live digitally.

The individual Zoom webinars can be accessed without registration at [www.worldhealthsummit.org](http://www.worldhealthsummit.org) or directly in the program: [www.conference.worldhealthsummit.org/Program/WHS2020](http://www.conference.worldhealthsummit.org/Program/WHS2020).

### 28<sup>th</sup> October 2020; 8:00 PM – 9:00 PM (SGT)

**Tech and Policy Talks - sgID and Digital Identity**, is a talk by Li Hongyi of Open Government Products about sgID, a privacy-based authentication that helps citizens stay in control of their information, while reducing their exposure to identity fraud and other security risks.

## EARLY NOVEMBER EVENTS

**1<sup>st</sup> – 10<sup>th</sup> November 2020**

**Falling Walls and Berlin Science Week :The World Science Summit**, is a global virtual showcase that will highlight breakthrough thinking from around the world. 3 NTU scientists have made it to the final list. Let us support and encourage our fellow colleagues.

Register at: <https://falling-walls.com/remote2020/>

**2<sup>nd</sup> November 2020; 4:30 PM – 6:40 PM (SGT)**

**Micro-NISTH Grant: Algorithmic Justice Knowledge Sharing Session**, is a discussion on the legal, ethical and policy implications of designing and using AI for decision-making purposes. While the issues and implications will be pitched broadly, the discussion will also deal with the use of AI to regulate content on the internet.
