

NTU Institute of Science and  
Technology for Humanity

## Looking Forward to September 20 - 26

Just Tech  
Covid-19  
Rapid-Response  
Grants

The Social Science Research Council (SSRC), **Just Tech program**, seeks proposals that address the risks, opportunities, and challenges posed by public health surveillance stemming from the Covid-19 pandemic. They specifically encourage proposals that interrogate the role the public and private sectors that play in mitigating or exacerbating the health crisis. Applications are accepted on a rolling basis. The final round of review for applications is **September 30, 2020**. Application details at: <https://www.ssrc.org/fellowships/view/just-tech-covid-19-rapid-response-grants/>

From Lab to Market: Journey of an  
Entrepreneurial Scientist

ONLINE EVENT

Presented By:

**22<sup>nd</sup> September 2020; 11:00 AM – 12:00 PM (SGT)**

**The Journey of an Entrepreneurial Scientist** brings two Deep Tech entrepreneurs (one in MedTech and the other in Quantum Computing) as they share their journeys in transforming their lab prototypes to commercially viable products.
