13 – 15 April 2021; 10:30 AM – 12:30 PM

The 5th NTS-Asia Consortium Annual Conference: Asian Security in a Post-COVID-19 Environment, recognises the need to generate conversations on the environment and cyberspace that are experiencing the effects of the crisis. It aims at finding possible solutions to address them. The conference brings together members of the consortium to share their perspectives on lessons learnt from experiences in three Asian sub-regions namely Southeast Asia, South Asia, and Northeast Asia.
