NISTH Think Out: Debate Series

If you have missed our debates, we have you covered! The audio and video recordings have been added to our podcast and YouTube channels.

Listen to the **Podcast**: <https://nisth.buzzsprout.com/>

Watch it on **YouTube**: https://youtube.com/playlist?list=PLxiM-ANcLa9L_IAKBZal35ElgVvbaO9S1

OTHER EVENTS

8 March 2021; 3:00 PM – 4:30 PM

In Celebration of International Women's Day: Leading Together in STEM, is presented by IMDA, SGInnovate (NISTH's Strategic partner) and SGTech, in support of SG Women in Tech. By choosing to include and diversify, businesses and the world will benefit from strengthened innovations and advancements in STEM, especially in the age of disruptive science and technologies. Hear from leaders how they #choosetochallenge the inequality in their industry and their visions for the future of science and tech.

GRANT CALLS

For assistance in identifying research partners, email us at NISTH-research@ntu.edu.sg

AIR-NISTH AI for Social Good Research Grant - 15 March 2021, 5:00 PM

This grant is co-funded by Artificial Intelligence Research Institute (AIR), NISTH and CoHASS at NTU. It seeks interdisciplinary teams to work on AI applied for "social good". This includes (but not limited to) novel applications of AI tools to new domains of humanitarian or social importance, investigations that promote the ethical, fair, accountable or responsible, or research that aims to better understand how AI systems may be regulated, governed, or deployed in "socially responsible" ways.

Heritage Research Grant (HRG) Call 01/FY2021 Proposal submission for internal review – 22 March 2021; IOI: 15 March 2021

National Heritage Board (NHB) launched the 12th HRG Call. This grant seeks to fund research projects related to Singapore's tangible and intangible heritage, archaeology as well as the development and adoption of technologies that support the documentation of Singapore's heritage. It also encourages local Institutes of Higher Learning (IHLs), research institutions and others to embark on such heritage-related research projects; grow and develop the heritage ecosystem in Singapore; and promote the documentation and preservation of Singapore's heritage.

MOE AcRF Tier 2_August 2021 Grant Call Proposal submission for internal review - 1 Feb – 16 April 2021

The MOE AcRF Tier 2 call is for the submission of proposals for NTU's internal review and shortlisting. Submissions to MOE will be conducted through the Integrated Grant Management System (IGMS; <https://researchgrant.gov.sg>). All PIs and Co-PIs are advised to register themselves with a valid IGMS account. IGMS accounts must be updated with a valid ORCID ID (PI can register for one at <https://orcid.org/> if they do not have one) for successful grant application.

The Liveability Challenge 2021; Deadline – 15 April 2021

The Liveability Challenge is calling for proposals with the most disruptive, game-changing ideas that will help cities accelerate decarbonisation and address its resource challenges. The Challenge is seeking solutions to address the 50 billion tonnes of carbon emissions released into the atmosphere annually and pollution crisis, which needs a circular economy to replace the existing linear model. All solutions must have proof of concept; At least Technology Readiness Level 6 and must be applicable to Singapore and urban environments in the tropics.

More details at: <https://www.theliveabilitychallenge.org/>

The Trinity Challenge 2021; Deadline – 15 April 2021

The Trinity Challenge, is a coalition of academic and industry partners seeking solutions that use data and analytics to better identify, respond to, or recover from health emergencies, covering economics, behavioural sciences, epidemiology and many other disciplines. If you are interested to submit to Challenge and would like to seek support in developing your proposal or identifying partners, please approach NISTH at nisth-research@ntu.edu.sg
