

NISTH EVENTS

9 Nov 2021; 10:00 AM – 11:00 AM

NISTH ThinkOut: Algorithms and Social Harms, seeks discuss if algorithms are truly the cause of social harm or is it in how it is used. Aside from political controversies, the recent Facebook whistle-blowing and increasing Tick Tock ‘tic-like behaviour’ has made it evident that ‘amplification algorithms’ and ‘engagement-based ranking’ affects human behavior and encourages destructive content. **NISTH Fellows – Prof Boh Wai Fong and Assoc Prof Andres Luco** will discuss the issue.

19 Nov 2021; 3:00 PM – 6:00 PM

Young Global Leaders (YGL), Executive Education Module, is organised by NISTH, once again this year, under the theme - *Imagining Technological Future*. The YGLs will be participating in a 5 days online programme that brings them through thought-provoking lectures and workshops on writing, filmmaking and game-making to help bring a fresh perspective to their work towards meaningful solutions for the society. NISTH Fellows are invited to attend the final presentation to interact and network with this carefully selected group of thought-leaders.

3 Dec 2021; 2:00 PM – 3:00 PM

NISTH ThinkOut: Genomics and the New Inequalities, will bring together **NISTH Fellows - Assoc Prof Joanne Ngeow and Asst Prof Ian McGonigle** to discuss the topic from two different viewpoints. Is the Holy Grail of modern medicine, Genomics? While it has significantly altered the way researchers, scientists and clinicians develop diagnostics, therapeutic strategies, and treatment options, it has also raised the concern of inequality. Join the webinar to hear the two perspectives.
