## Eligibility Guidelines for Ministry of Education (MOE) Subsidy

8. The substantial tuition subsidy from the Government of Singapore comes in the form of an MOE subsidy which is administered by the Ministry of Education (MOE) and is offered to all admitted students in eligible Masters programmes up to the normal programme duration. Students need not apply for the MOE subsidy if they are eligible.

### 8.1 Period for MOE Subsidy

For Master of Education (all specialisations) and Master of Teaching, the MOE subsidy will cover up to the normal programme duration for part-time and full-time mode of studies for the following intakes:

	Intakes from AY2020
	Normal Programme Duration
<b>Part-time</b>	2 years
<b>Full-time</b>	1 year

### 8.2 Students with a Higher Degree Qualification

Students who have previously enjoyed MOE subsidy or government sponsorship in a graduate programme will not be eligible for MOE subsidy in another graduate programme at the same or lower level. Instead, such students will be liable to pay “Non-subsidised Fees” for the graduate programme that they now wish to undertake. For example, students who have previously enjoyed MOE subsidy in a Masters programme and attained the Masters degree will not be eligible for subsidy in another programme at Masters degree or lower level. In addition, if they wish to upgrade in another discipline area where the programme has a combination of Masters and PhD candidature, they will not be eligible to enjoy MOE subsidy during the Masters candidature.

### 8.3 Transferred or Re-admitted

Students who are transferred or re-admitted within NTU or across Autonomous Universities\* may not be eligible for MOE subsidy for the full normal programme duration for the new programme, depending on the number of semesters of MOE subsidy received from the previous programme.

*\*Autonomous Universities refer to NTU, National University of Singapore (NUS), Singapore Management University (SMU), Singapore Institute of Technology (SIT), Singapore University of Technology and Design (SUTD) and Singapore University of Social Sciences (SUSS).*
