

# INSCAPE

## New Semester, \_\_\_\_\_ New Sparks of INNOVATION

A new semester brings fresh opportunities to reimagine teaching and learning! In this issue, discover how FacTEL is launching the second run of its core modules for faculty, get a first look at two innovative platforms designed to support lesson design and track students' learning journeys using data. Plus, don't miss the upcoming Innovations in Teaching and Learning (iTL) seminar this October—mark your calendars!

### FACULTY DEVELOPMENT

## FacTEL's Next Lap: Rewing Up for Run 2

As the Faculty Tech-Enabled Learning (FacTEL) initiative gears up for its second run, faculty can look forward to a new suite of Elective programmes designed to deepen digital fluency through hands-on workshops, webinars, and collaborative sessions. From using Canva AI to visualise complex content, to applying prompt engineering and learning analytics in meaningful ways, the Electives empower educators to explore fresh, tech-integrated approaches while staying true to core learning outcomes.
