

BUILD PROGRAMME

The BUILD (Building University Interns for Leadership Development) programme serves to provide a structured process for the students of the Teaching Scholars Programme (TSP) at NIE to derive optimal experiences and benefits from learning and serving with relevant institutions, organisations, agencies and companies so as to develop them in their future roles as educational leaders.

Their learning objectives include:

1. To provide TSP students with professional immersion experiences beyond schools
2. To learn leadership and operations skills from a different industry where possible
3. To develop values and skills that promote personal growth
4. To develop attitudes conducive to effective interpersonal relationships
5. To develop skills in the application of theory in practical work situations beyond the classroom
6. To develop personal networks useful for future organisational collaborations
