INSTRUCTIONS TO GRADUANTS

Please read these instructions. It is important that you know what to do on the day of the ceremony.

Ceremony 1 - 11 July 2024 at 9.30 am
Ceremony 2 - 11 July 2024 at 2.30 pm

1. Arrival

Graduands are advised to arrive at the Nanyang Auditorium one and a half hours before the start of the ceremony. Upon arrival, graduands will be ushered to the Registration Counter.

2. Robing

Graduands are to be properly robed before they register their attendance at the Registration Counter.

3. Registration

Your attendance at the Teachers' Investiture Ceremony (TIC) is compulsory. To facilitate this, arrangements have been made with your principal to release you from teaching duties to attend the TIC. You may also like to inform your principal and take this opportunity to invite him/her to witness the ceremony.

After robing, please report to the Registration Counter in NTU Nanyang Auditorium. Please join the correct queue at the Registration Counter to have your attendance taken and be issued with an Attendance Card, which serves as your admission ticket into the Auditorium. Documents which are accepted for attendance taking are matriculation card, identity card, passport, driving licence and other photo identification.

Please have your identification documents ready when you join the queue. Graduands who are not properly attired will not be allowed to register.

We seek for your cooperation to adhere to the following reporting time:

4. Major Train Service Disruption

In the event that you are caught in a major train disruption, please approach the SMRT or SBS Transit staff at the station for assistance on alternative means of transport to reach the ceremony venue as quickly as possible. In this instance, graduands who arrive late will be presented if the ceremony has not ended. The marshals will advise those affected on what needs to be done.

5. Seating Arrangement

Once you have registered, please proceed immediately to the Auditorium with your Attendance Card. Your seat number is indicated on the top-left corner of your Attendance Card. There are marshals in the Auditorium to assist you, should you require any assistance.

6. Attendance Card

Please **DO NOT LOSE YOUR ATTENDANCE CARD!** During the ceremony, you are required to hand it over to the marshal on stage standing next to the reader. This card will be used by the reader to call your name. In the event that you have misplaced your Attendance Card, please alert the marshal in-charge of your row immediately.

7. Order of Proceedings

During the ceremony, at the appropriate time, the marshals will indicate to you when and where to stand while waiting to be presented. Please do not bring anything with you except your Attendance Card when you go up the stage.

The first few graduands will stand behind a horizontal line as indicated on stage. The marshal will indicate to you when and where to stand while waiting to be presented. Position yourself immediately behind the line and move forward to receive your folder when your name is being called.

Shake hands with the presenter as you receive your folder. Do not bow, take ‘selfies’ or ‘wefies’, perform any stunts or cause disruptions while on stage before or after receiving your folder.

Your transcript and (Diploma/PGDE) certificate will be given to you before you return to your seat as directed by the marshals. For BA/BSc Double Major Programme (DMP) graduands, you will receive the degree certificate and transcript at the NTU Convocation (for Semester 2 graduands, and Semester 1 graduands who have not collected from OneStop@SAC).

Graduands who are prize winners will receive their folders first and then receive their prizes only at the end from the Guest of Honour after all graduands have received their folders. Prize winners would therefore not return to their original seats after receiving their folders but will be led from the stage area by a marshal to another row of seats reserved for prize winners. As the last few graduands are receiving their folders, the chief marshal will get the prize winners ready and line them in the order that they are supposed to go up the stage to receive their awards/medals.

The Valedictorian will give a Valedictory Speech during the ceremony. In addition, the Valedictorian will, at the appropriate time, invite the Director-General of Education (DGE) to recite the Teachers’ Pledge. All graduands shall rise from their seats to recite the Pledge together with DGE. Please raise your right hand when you recite the pledge. The Teachers’ Pledge will be projected on the screen on stage.

Please note that filming and photography will be taken during the ceremony and will be used for publicity purposes.
8. **Code of Conduct**

As the ceremony is a solemn and formal occasion to celebrate the academic achievements of all graduands, please conduct yourself in a dignified and professional manner when you proceed up the stage to collect your folder and throughout the proceedings of the ceremony. The following are to be observed:

- You are to wear your graduation gown throughout the ceremony.
- You are to occupy the seat allocated to you so as not to upset the presentation order.
- You are to remain seated throughout the ceremony except when the Academic Procession are marching into or out of the auditorium, the National Anthem is played, while being presented to the Presiding Officer and reciting the Teachers’ Pledge.
- Refrain from leaving the Auditorium mid-way through the ceremony even if you have already received your folder. This is to give due respect to your fellow graduands who are still waiting for their turn.
- When your name is announced, walk forward and receive your folder from the Presiding Officer.
- Switch off your mobile phone or turn it to silent mode once you are inside the Auditorium.
- You are to follow the instructions and directions of the marshals during the ceremony.

Graduands are not permitted to layer other clothing over the academic gown, or have any decorations, messages or symbols attached to the gown. Please note that any graduands not dressed according to the dress code will not be permitted to attend the ceremony.

Marshals on duty reserve the right to remove all inappropriate materials deemed disruptive, harassing, or determined to post a safety risk or obstructing the view of other attendees. Graduands unwilling to comply with these guidelines may not participate in the ceremony.

10. Photographs

Arrangements have been made for photographs to be taken of every graduand during the ceremony. Please look slightly to your left when you receive your folder so that the photographer can get a good photograph of you. Details on the charges and collection of photos can be found in the flyer, which will be given to you on the day of the ceremony.
