

Picture of Interns from India and SPMS : 2017 May-July

Abhijeet Gaurav, Major: Computer Science, Mathematics, Statistics

Student from Purdue University, West Lafayette, USA

<https://www.linkedin.com/in/abhiga>, Information Extraction from Text May - June 2017

Abhinand Poosarala Major: Computer Science and Engineering

Undergraduate student from PES University, Bangalore, India

<https://www.linkedin.com/in/abhinand-p-899b3b101/>

Acquisition of multiple sensors for the classification of emotion May - July 2017

Garvit Gupta Major: Electrical and Electronics

Undergraduate student from IIT Delhi, India

Project Title- Sentence Boundary Detection for Speech Recognition Output

<https://www.linkedin.com/in/garvit-gupta-109515119/> May - July 2017

Goli Haveesh Major: Computer Science and Engineering

Undergraduate student from Mahindra École Centrale, Hyderabad, India

<https://www.linkedin.com/in/haveeshgoli>

Data acquisition of human behavior through multiple sensors, May - August 2017

Hardik Katyarmal Major: Electrical Engineering

Integrated Masters student from IIT Kharagpur, India

<https://www.linkedin.com/in/hardikkatyarmal/>

Course Development for Digital Signal Processing May - July 2017

Li chenqi Major: Statistics

Undergraduate student from SPMS, NTU, Singapore

<https://www.linkedin.com/in/chenqi-li-59905213a>

Course Development for Digital Signal Processing May - July 2017

Mit Shah Major: Mathematics and Computing

Integrated Masters student from IIT-BHU, India

<https://www.linkedin.com/in/mitshah4343/>

Machine Learning by TensorFlow May - July 2017

Tanmaya Shekhar Dabral Major: Computer Science and Engineering

Undergraduate student from BITS Pilani, Hyderabad

Linkedin: <https://www.linkedin.com/in/tanmaya-dabral-7a9386142/>

Machine Learning by TensorFlow May - July 2017

Nitu Sharaff Major: Computer Science and Engineering

Undergraduate student from VIT, India

<https://www.linkedin.com/in/nitusharaff>

Acquisition of human behavior data through multiple sensors for emotion analysis Jan - May 2017

Siddhant Somani Major: Computer Science and Engineering

Undergraduate student from VIT, India

<https://www.linkedin.com/in/siddhantsomani>

Emotion Analysis of spoken utterances Jan - May 2017
