

Course Exemption for Diploma Holder Admitted into Civil Engineering Programme from AY 2026-27 and thereafter

Student with the diploma listed in the following table, will be eligible for consideration with course exemption as listed:

Institution	Diploma in	Eligible Courses to be Exempted	
		Core Courses	Broadening & Deepening Electives (BDEs) (Maximum 6 AU)
Nanyang Polytechnics	Diploma Plus in Mathematics Programme	MH1810-Mathematics 1 (3 AU) (Please attach your certificate with the transcript)	BDE (6 AU)
Ngee Ann Polytechnic	Diploma Plus Certificate in Advanced Engineering Mathematics		
	Civil & Environmental Engineering	CV1014- Introduction to Computational Thinking (3 AU) CV1711-Engineering Drawing and 3D Building Information Modelling (1 AU) CV2711-Civil Engineering Laboratory A (1 AU) CV2712-Civil Engineering Laboratory B (1 AU) EG1001-Engineers in Society (2 AU) FE1073-An Introduction to Engineering & Practices (1 AU) MH1810-Mathematics 1 (3 AU)	
Singapore Polytechnic	Civil & Structural Engineering		
	Civil Engineering		
	Civil Engineering & Management		
	Civil Engineering with Business		
	Diploma Plus Certificate in Engineering Mathematics & Science	MH1810-Mathematics 1 (3 AU) (Please attach your certificate with the transcript)	
BCA Academy	Construction Engineering	CV1711-Engineering Drawing and 3D Building Information Modelling (1 AU) EG1001-Engineers in Society (2 AU) FE1073-An Introduction to Engineering & Practices (1 AU)	
	Construction Engineering (Digital)		
	Construction Information Technology		
Temasek Polytechnic	Green Building & Sustainability		
All Polytechnics	All other Diploma Holders not listed above.	-
