

Course Exemption for Diploma Holder Admitted into Environmental Engineering Programme from AY 2026-27 and thereafter

Section A

Student with the diploma listed in the following table, will be eligible for further exemption with the courses as listed:

Institution	Diploma in	Eligible Courses to be Exempted	
		Core Courses	Broadening & Deepening Electives (BDEs) (Maximum 6 AU)
Ngee Ann Polytechnic	Civil & Environmental Engineering	CV1014- Introduction to Computational Thinking (3 AU) CV1711-Engineering Drawing and 3D Building Information Modelling (1 AU) EN2711-Environmental Engineering Laboratory A (1 AU) EN2712-Environmental Engineering Laboratory B (1 AU)	BDE (6 AU)
	Environmental & Water Technology	EG1001-Engineers in Society (2 AU) FE1073-An Introduction to Engineering & Practices (1 AU) MH1810-Mathematics 1 (3 AU)	
Nanyang Polytechnic	Chemical & Green Technology	CV1711-Engineering Drawing and 3D Building Information Modelling (1 AU) EG1001-Engineers in Society (2 AU) FE1073-An Introduction to Engineering & Practices (1 AU)	
	Chemical & Pharmaceutical Technology		
Ngee Ann Polytechnic	Chemical & Biomolecular Engineering		
	Water Technology (Part-time)		
Republic Polytechnic	Environmental & Marine Science		
	Environmental Science		
	Green Building Energy Management		
	Sustainable Built Environment		
Singapore Polytechnic	Chemical Engineering		
	Environmental Management & Water Technology		
Temasek Polytechnic	Chemical Engineering		
	Clean Energy		
	Green Building & Sustainability		

Section B

All other Poly Diploma holders not listed in Section A are eligible for up to maximum 6 AU BDE exemption
