My time at WKWSCI has been unforgettable, from sharing lunches with friends to exploring film production. A highlight was traveling abroad in my second year to create documentaries for ODYSSEE and WeeVolunteer, where I connected with inspiring individuals and shared their stories.

The Wee Kim Wee Legacy Fund has been invaluable, enabling me to pursue my passion for digital production and shaping my career aspirations. I am deeply grateful for opportunities I've had at WKWSCI and I'm excited for what lies ahead.

Your contributions to the Fund empowers students like me to explore their creativity and make a meaningful impact.
