Ricky Dengkayaphichith

Senior Manager, Carbon Portfolio Management APAC
Singapore
South Pole

With his deep understanding of South Pole's extensive portfolio of projects, Ricky supports APAC clients with structuring a high quality portfolio offer of credits to meet their requirements and preferences, and procuring credits from external suppliers. Ricky brings a wealth of expertise in the industry with prior roles at FGE specialising in Gas/LNG and Carbon-Neutral LNG, and at Dow Jones supporting the Risk & Compliance product, possessing a comprehensive understanding of the field. Ricky holds a Bachelor of Business Administration from the National University of Singapore.
